Eligibility Application

Please read the options carefully and circle the type of coverage for which you qualify.

If your spouse is employed, they must first be covered under the benefit plan offered by their own employer (they may not opt out of that coverage). If their income is lower than $46,000, we will coordinate coverage with their Plan for extended health and dental coverage at no additional cost to you. If their income is over $46,000 and you wish to cover them under this Plan there is a monthly cost. Please review the options below to determine which option A - H is applicable to your family. Option H "Spouse Buy-In" provides extended health and dental coverage.

A. Coverage for Myself Only
I do not request coverage for my spouse and/or my spouse is denominationally employed by___________________.

B. Full Family Coverage, Spouse Unemployed
My spouse is unemployed, and I wish full coverage for my spouse and eligible dependent children.

C. Full Family Coverage
My spouse earns less than $46,000 (to avoid delays on your enrolment application, ***you must include a copy of your spouse's most recent Notice of Assessment from Canada Revenue Agency as verification of your spouse's income***) and has no health care coverage available through his/her employer. I understand that my spouse is eligible for health care assistance at no additional cost.

D. Me and Full/Partial Coverage for my Dependent Children
My spouse earns more than the $46,000 and has health care coverage available for him/herself and our dependent children. I request health care coverage for our dependent children. There is no spouse coverage.

E. Me and Full Dependent Children Coverage
I am a single parent, and I request full health care coverage for me and my dependent children.

F. Me and My Dependent Children, No Spouse Coverage
My spouse earns more than the $46,000 and has health care coverage available. My spouse will receive no health care benefits from my employer.

G. Coordinated Coverage
My spouse earns less than the $46,000 (to avoid delays on your enrolment application, ***you must include a copy of your spouse's most recent Notice of Assessment from Canada Revenue Agency as verification of your spouse's income***) and has limited health coverage through his/her employer as noted on the front of this application. Benefits should be coordinated with his/her health care plan. I understand that my spouse is eligible for health care assistance at no additional cost for health care expenses not covered by his/her health care plan.

H. Buy-in Provision Spouse Only
My spouse earns more than the $46,000 and has no access to health care assistance through his/her employer. I would like to "buy-in" to the HBP. I understand my payroll deduction for his/her coverage will be $144.50 per month (may change annually) **for a minimum of 1 year**.

Authorization and Certification

I authorize all providers of health care to furnish all records pertaining to medical history, services rendered and treatment given as pertains to evaluation of enrolment application and or claims. This authorization shall become effective immediately and shall remain in effect as long as necessary to enable Health Benefits Administration to process my application and/or claims.

I understand that the above coverage accommodation will remain in effect until termination of my employment**. I further agree to notify my employer of any changes in my family status of the eligibility of my spouse. Failure to notify HBA of any status change will authorize HBA to deny payments of future claims and ask for collection of past paid claims for ineligible spouse or dependents.**

I certify that all the above information is complete and correct.
